SIR:

In response to the Office Action dated March 27, 2003, amend the above identified application as follows:

IN THE CLAIMS

Amend the claims as follows:

- 550, >
1. (Currently Amended) A method for electronic archiving of a data stream output by a computer in a computer-specific data format that contains at least one of graphic information and text information, comprising the steps of:
- CA
- distinguishing form data from variable data in the data stream based on pixels while said data is in a printer data format; and
- differently processing said form data in the data stream based on pixels and variable data while the data is in the printer specific data format [the two data types].
2. (Previously Amended) A method according to claim 1, further comprising the step of: allocating references to the form data to the variable data.
